

VelaShape..... 45-60min/Starting at \$125

Velashape™ uses electro-optical synergy that shapes, slims, tightens and contours the body by reducing cellulite and saggy skin on problem areas. A combination of Infrared Light, Bi-Polar Radio Frequencies, Vacuum Suction and Mechanical Massage Rollers employ direct heat and manipulation resulting in the appearance of smooth, toned looking skin. **Recommended 6 or more treatments for optimal results.**

RF Multi-Polar Skin Tightening

An algorithm of focused heat stimulates the contraction of connective tissue and fibroblast to speed up the regeneration collagen and elastin in the skin. Overall benefits are firmer, tighter and younger looking skin.

Face & neck **60min/\$149**

Includes cleanse, exfoliation, hydro jelly mask, serum & moisturizing cream.

Add-on to Micro-needling..... **30min/\$99**

Jowl & neck only **20min/\$89**

RF Multi-Polar Cavitation & Body Contouring

..... **30-60min/Starting at \$125**

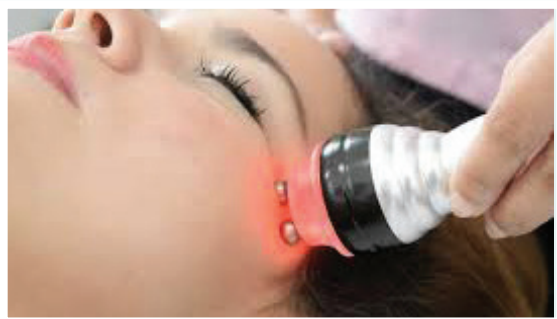

Multi-polar algorithm frequencies stimulate lymphatic to remove toxins and stagnate interstitial waste from the body. The targeted heat and vacuum amplify lipolysis to shrink fat cells to reduce dimpling. This is a non invasive treatment to contour, tighten, smooth and tone.

DermaPlaning 45min/\$120

A safe, non invasive method of exfoliation and skin rejuvenation to reveal smooth, supple, vibrant and glowing skin. This treatment uses a sterile surgical blade to gently remove Vellus hair (peach fuzz) and the outer most layers of dead skin cells from the epidermis. It deepens product absorption and appearance of fine lines and uneven skin tone. **Enhance treatment with a gentle AHA Peel and Hydro Jelly mask for \$25.**

***Purifying Cleansing Facial..... 60min/\$85**

Deep cleansing facial that will exfoliate dead skin cells and remove impurities and sebum from the pores rendering the skin fresh, clean and hydrated.

***Acne Facial W/Ultrasonic..... 75min/\$110**

Deep cleansing facial with salicylic peel, ultrasonic scrub w/ steam, followed by extractions, high frequency, a purifying infused gauze w/hot towels, charcoal mask and purifying serum. The ultrasonic vibrational spatula gently exfoliates dead skin cells, cleans out dirt and debris from pores; Soundwaves stimulate blood circulation and penetrates actives into the skin.

***Holistic Facial 60min/\$110**

Designed to calm over-stimulated and irritated skin or increase circulation to dull devitalized lack luster skin. All natural, active skin nutrition including lipids, vitamins, minerals, antioxidants, growth factors and immune cells promote dermal repair and restoration. Special massage movements direct energy to heal and bring balance to the skin.

***Aqua-dermabrasion..... 60min/\$130**

A 5 in 1 facial to cleanse, exfoliate, extract, hydrate and nourish the skin simultaneously. Suitable for most skin types including sensitive skin. Perfect facial for those who are sensitive to or dislike manual extractions. End result is a clean, hydrated and luminous complexion.

***Micro-Dermabrasion Facial..... 75min/\$125**

A non-invasive epidermal abrasion with aluminum oxide crystals. The crystals propel onto the skin at a high speed flow to remove dead skin cells and debris. This minimizes pores, reduces appearance of fine lines, wrinkles, uneven skin tone, and acne scars.

***FIR (Far Infrared) Facial.....60-75min/\$135**

FIR therapy for aging and acne prone skin. Active serums and masks will penetrate 3 times faster with far-infrared therapy providing better, deeper and lasting results.
